

Meet John Tedford

“My name is John Tedford. I’ve lived in Saranac all my life and have been associated with the Land Trust for 30 years. I believe in the principle that we all need open spaces and the sounds of nature to help us all in our journey through life. My life has been devoted to helping people experience that inner peace. The NLT is a great place to start -- and my hope is that it will become a great place for all people to return to time and time again, like a foundation from where dreams can be nurtured.”

John Tedford, Board Member

Growing Pains

All the positive activity at the Land Trust has naturally lead to parking issues, especially since it is winter and the Town of Saranac needs to plow. Please park at the small parking area on your right as you approach the 236 Clubhouse entrance. Also consider parking at Saranac School and carpooling up the hill. We are thinking ahead about providing more parking at 236 in the coming winters.

Also, a reminder to snowshoers -- please remember to walk *alongside* the ski tracks. Disrupting ski tracks makes for sections that are difficult to ski, and potentially dangerous.

Cars line Plumadore Road near the 236 entrance earlier this winter. - Doug Yu

Supported by the Community

We are always looking for new members. Memberships help the NLT improve existing conditions. Current plans are to improve the 236 Clubhouse -- this can only be done through your generosity. Please consider becoming a member.
